Parcel service

The charge may be based on either the volumetric or the actual weight, depending on which is the greater of the two.

The volumetric weight of your parcel should be calculated as follows:

$$\frac{\text{length (cm)} \times \text{height (cm)} \times \text{width (cm)}}{\text{divided by } 4,000} \quad \text{e.g.} \quad \frac{60 \times 50 \times 40}{4,000} = \mathbf{30\text{kg}}$$

Maximum weight per item **31.5kg**.

Maximum dimensions per item **175cm** length, **300cm** girth.

Items exceeding these dimensions will be sent via our heavyweight service and charged accordingly.

Notes

1. All prices are door to door. 2. All rates are per consignment in UK £ sterling and exclude VAT. Note: VAT is applicable to all EU destinations. 3. For parcels, price includes transit liability of £100 per consignment. 4. For documents, price includes transit liability of up to £20 per envelope for loss or damage. 5. When the volume of goods exceeds 6.0 cubic metres per tonne, the company reserves the right to charge by volume. 6. Rates quoted include routine Customs clearance for informal entries. For complex Customs procedures requiring formal entries, and/or use of receiving country's deferment account, a charge may be made to the consignee. This will depend on the country, destination and/or commodity. 7. We are unable to deliver to PO Box/BFPO numbers. 8. All consignments are carried under the Terms and Conditions of Carriage of Interlink Express Parcels Ltd, a copy of which is available on request. 9. The sender is liable for all non-paid duty and VAT by the receiver when delivery has been made. An additional administration charge of £10.00 or 2% of the invoice value, whichever is the greater, will apply. The sender will also be liable for all costs relating to any goods returned due to non-payment of Duty and VAT. 10. Minimum invoice charge may apply.

Extended liability is easy to calculate using the simple steps below.

Step 1.

Round up the liability or replacement value of your shipment to the nearest pound, e.g. £139.27 = £140

Step 2.

If the value is more than £700, the premium charged will be 1% of the value, e.g. if the value is £837, divide this figure by 100 = £8.37. Minimum charge £7.00 up to maximum liability of £15,000.
